Dear Sir/Madam,

REF: APPRECIATION FOR YOUR POSITIVE RESPONSE TO OUR REQUEST

Reference is made to the above subject matter.

I would like to officially write to appreciate for the many support your organisation is providing to many schools in our community.

I therefore need to take this opportunity to thank you for the commendable job done at our school which is in a very remote area.

The school had one staff house roof blown off due to heavy winds you quickly came to our aid and the roof was fixed, the same house had no toilet for many years but through your project and your able donors the toilet is now an issue of the past.

May you please extend my heartfelt gratitude to the donors who supported this much needed construction.

Attached are the photos for our staff house in question which had its roof blown off and a toilet that has been constructed.

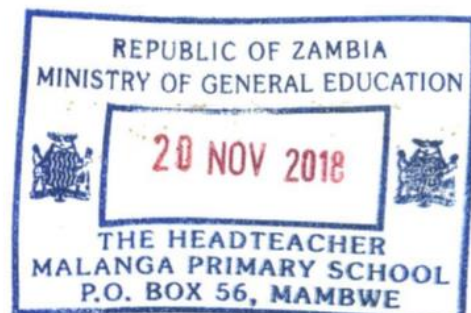

Your endless support to our school and the community will always be appreciated.

Yours sincerely
